

VOLTBUSTER™

Superior Static Protection™

New Tigerflex™ Voltbuster™ Hose Designed for High Static Applications

Superior Static Protection! – Innovative design handles high static generating applications such as powders, pellets and other granular materials.

Durable Construction – food grade polyurethane tube resists abrasion and provides longer hose life versus rubber or PVC hoses.

Transferred Material Purity – Grounding wire encapsulated in external helix, no risk of metal shards contaminating the transferred materials.

Easy to Handle – Lightweight and flexible for worker safety. Remains flexible in sub-zero temperatures.
