Re: Updates to the Tigerflex Printed Date Code

We have recently introduced a new date code format on our Tigerflex hoses but it is not fully implemented on all production lines at this time. Depending on its production line you will see one of the following two formats printed on the hose. If you have any questions please let me know.

Current Date Code

New Date Code Format

Please continue to refer to www.kuriyama.com for our latest product announcements, and updates on existing products! If you have any questions, please consult your local Kuriyama of America, Inc. Representative or Customer Service at (847) 755-0360.
