

# Kuriyama Kuri Tec<sup>®</sup> Series A1243 Non-Toxic PVC Air Breathing Hose

- A specially-designed non-toxic air breathing hose that provides good low temperature flexibility with low odor, compared with traditional rubber hose.
- Heavy wall construction matches the dimensions of rubber hose.
- Hose is supplied in one-piece lengths.
- Hose meets NIOSH requirements for Type C respirators and general Type C air supply lines; paint spray booths, in plant air and outdoor air service.
- A conductive version is also available.
