**ALL TIGERFLEX™ AND KURI TEC®
FOOD GRADE HOSES ARE NOW
PHTHALATE FREE**

- All Tigerflex™ and Kuri Tec® food grade hoses are now manufactured from all phthalate free materials.
- We have responded to the food processing and pharmaceutical industries to use products that do not contain phthalates.
- Our food grade hoses have always met various FDA, NSF, USDA and 3A standards, but with the added benefit of now being phthalate free.
