ALL TIGERFLEX[™]AND KURI TEC[®] FOOD GRADE HOSES ARE NOW PHTHALATE FREE

• All Tigerflex[™] and Kuri Tec[®] food grade hoses are now manufactured from all phthalate free materials.

• We have responded to the food processing and pharmaceutical industries to use products that do not contain phthalates.

• Our food grade hoses have always met various FDA, NSF, USDA and 3A standards, but with the added benefit of now being phthalate free.
